Wall Empire, established in 2011, is India's first company to introduce 20 Curtains Fabric options in a digital fabric range with OEKO-Tex Certification. As the biggest company for digital printing on fabrics of Home Textile, we have the capacity of 3,00,000 meters per month. Driven by passion and ingenuity, Wall Empire delivers unique and curated Home Textile Products that reflect our design aesthetic and style.

Our wide product range also includes Wallpaper, Roller Blinds, Zebra Blinds, Stitchless Roman Blinds, and Cushions. Wall Empire has been a part of three international trade shows, showcasing our products to the world.

With a focus on structure, style, material, automation software, and various fundamental and trending techniques of architecture and interior designing, Wall Empire provides our customers with more than what they have imagined.

Our infrastructure and contemporary architecture spans over 40,000 sq. ft. with well-ordered production amenities and well-experienced personnel, achieving a monthly production capacity of 1,20,000 sq. ft. for Wallpaper, Roller, and Zebra blinds, and 3,00,000 m. for digital printing on fabrics of Home Textile. With a commitment to quality and innovation, Wall Empire is one of the leader in the home textile industry.
